How to make a model Kabaah

Making a modern day kabaah

Using an old milk carton or something similar.

Cut it down into a cube shape.
Paint it black.

Use gold ribbon to make the decoration.

Make a model kabaah (time of Abraham).

Make small rectangular blocks of 'stone' out of air-drying clay. Arrange them into a square or rectangular pattern.

Build up the walls.

Make the walls stronger by overlapping the stones.
